THE POWER OF GOD'S WORD

"My son and I attended the *Iron Sharpens Iron* men's conference this past March in O'Fallon, IL where we met and attended a seminar by Philip DelRe.

"As a pastor, I was leading a group of men to the conference, but my real concern was my 18 year old son who has had some tough challenges in the past year. He has wavered in his faith—questioning what and why he believed. This also spilled over into some poor choices and bad relationships in his life.

"The seminar by Phil was exactly what my son needed. Phil's dynamic personality and engaging presentation of the Gospel totally connected with my son. He laughed, took notes, and was challenged that the Christian faith was intellectually credible in the secular arena of life. He loved the seminar by Phil and wanted me to buy all the resources available (which I happily did!).

"Since that time, there has been a dramatic change in his life. Unhealthy relationships have been severed and he has a renewed joy and commitment for Christ. I thank God for this timely and sovereign appointment for my son and the ministry of Phil DelRe for being the choice instrument He used."

—Pastor Tim

We have won Atheists, Muslims, Jehovah's Witnesses, Chicago street-gang members, Nazis, and others to the Lord by sharing the Gospel in its literal, historical, and theological context!

The very first verse in the New Testament says, "This is the genealogy of Jesus Christ, the Son of David, the Son of Abraham."

To the uninitiated, this appears boring and irrelevant. But, when compared to the promise God made to Abraham 2,000 years earlier (Genesis 12), this verse explodes with excitement! It says: God always keeps His promises and the Bible is one book. And, that's just the first verse!

When the Roman Empire ruled the world (with an iron fist), it used all of its political and military power to stop Christianity from spreading. Meanwhile, the Apostles dedicated themselves to prayer and the ministry of the Word. Armed with the Gospel, and inflamed by the love of Christ, they turned the world upside down! Since neither God nor His Word has changed, the true Gospel is still the power of God!

So, what made the first century church willing to be burned at the stake, boiled in oil, fed to the lions, and be crucified rather than deny Christ?

THE WHOLE COUNSEL OF GOD IS THE KEY!
